

4th July 2025

It's been an exciting time for our Year 2 children, who returned from their visit to Cadbury's World buzzing with excitement, despite the heat! They couldn't wait to tell me all about the 4D cinema experience, it was clearly a big hit and a fantastic way to bring their learning to life. Back at school, Year 2 are now turning their attention to practising for their Leaver's Concert. There's lots of singing coming from the hall each day, and we can't wait for you to see the final performance!

Thank you for your generous support of our tombola, we were blown away by the number of brilliant prizes donated.

New Book Fair

We are looking forward to our Open Afternoon on **Tuesday 15th July from 2pm**, when *Roving Books* will be hosting a brand-new book fair in school. Flyers will be sent home soon with more information, but I wanted to let you know in advance, this fair comes highly recommended by other schools and offers a better selection of books than we've had in the past. We hope many of you will be able to come along and enjoy browsing with your children.

Class Announcements for Next Year

Children's end of year reports will be sent home next week, and included will be a slip letting you know which class your child will be in next year.

Push Notifications

A quick reminder to please ensure you have turned on push notifications for the school app. This is the best way to receive important messages promptly, especially as we approach a very busy time of year!

Our Reception Classrooms

Our Robins and Puffins classrooms are in the middle of a wonderful transformation, thanks to your donations of wooden furniture. The children (and staff!) are loving the changes. We are still on the lookout for a few finishing touches, small sofas, small dining room tables, rugs and artificial plants in particular, so if you happen to have any spare or know someone who does, we'd be most grateful.
