

Year 1's CHIRP

Dear Parents and Guardians,

We have had a busy and exciting first two weeks in Year One! The children have settled in really well and are continuing to build on their learning from Reception.

As part of our PSHE learning, we have explored the *Pantosaurus* story. This has given us the opportunity to remind the children that our bodies belong to us and to think carefully about how we can keep ourselves safe. We have also been talking about how to play safely together during playtimes, this includes safe play, respecting others' space, and remembering to keep our hands to ourselves. We are pleased that the children have listened carefully to these discussions and are beginning to show greater consideration towards one another.

Thank you for your continued support. We are looking forward to a fantastic term ahead!

Kind regards,
The Year One Team

Year 1's learning

Over the next two weeks, we will explore:

English - We will be looking at the classic Jill Murphy story, 'Peace At Last'. Children will continue to try to apply capital letters, finger spaces and full stops.

Handwriting - We have begun our daily handwriting sessions. Please refer to the handwriting guide sheet that has been sent out Friday 19th September, to best support your child at home.

Maths - We will continue to build on the learning from Reception. Looking at numbers to 20. Exploring one more and one less, recognising teen numbers and ordering them.

Reading - Please ensure you have logged onto the Collins Hub and are accessing the reading book there to continue to support reading development at home

Art - We will explore the skill of printing this half term.

Supporting your child

Sending your child to school with their green diary and book every day helps them engage with the morning routine and enables us to record when they have read in school, either in a group or with a reading friend.

Donations

Thank you for all the box modelling donations so far!

If you have any old football annuals or magazines that you no longer want, we would love to have them for our reading areas. The ones we already have, have proved to be very popular!
