

25th July 2025

As we come to the end of another successful school year, I want to take this opportunity, on behalf of myself and all the staff, to say a heartfelt thank you for your generous gifts and your incredibly kind words. Your support means the world to us. It has been a truly fantastic year. Our children have thrived—making new friendships, enjoying exciting experiences, and continuing to grow and excel in their learning. Watching their confidence, curiosity, and resilience develop has been a joy for us all. As we say goodbye to our wonderful Year 2 children, we wish them every success in the next stage of their journey. They have been a valued part of our school community, and we will miss them greatly. Now it's time for everyone to recharge their (slightly depleted!) batteries, ready for another fantastic year ahead.

Mrs Irwin

Notifications on the App

A quick reminder before we all switch off for summer: please remember to update your app push notifications to your child's new year group and class before September. To do this, open the app, go to the **menu**, select **settings**, and change your **notification groups**. This will ensure you receive the correct information once the new term begins.

The Nest

For anyone who uses The Nest, bookings are now open for breakfast and after school for September on ParentPay. Please ensure places are booked before the start of the new school year. The system will allow you to book your place/s up until Monday 25th August, after this date you will need to speak to the school office. Please note the office staff will be back at the beginning of September when school reopens.

School will reopen on **Tuesday 2nd September**, and we look forward to welcoming you back.
