

Year 2's *Chirp*

Dear Parents and Guardians,

Dear Parents,

The children have continued to settle brilliantly into the routines of Year 2 and are enjoying our exciting Great Fire of London topic. We're also looking forward to starting our Food DT topic over the next two weeks!

Kind regards,

The Year 2 team

Year 2's learning

Maths: Over the next two weeks we will explore two-digit numbers and help the children to be able to strengthen their understanding of greater and less than, partitioning (breaking up numbers into small parts) and giving the children some tricky problem solving to explore

English: Over this half term the children have consolidated their skills from year one. They have explored pronouns, nouns and basic sentence structure. In the last two weeks, we will revisit verbs and end this half term by writing a short diary entry, pretending to be Samuel Pepys during The Great Fire of London.

DT - The children will be learning about healthy eating and designing their own healthy wraps. These lessons will link with our PSHE topics of keeping our bodies healthy.

Supporting your child

As the weather starts to get colder, children will come to school with more clothing items (gloves, hats, extra jumpers, etc).

Please ensure your child has their name inside these items to help prevent things getting lost.

P.E will continue to be on Mondays and Fridays. Children **must** have their kit on these days and please remember to remove any earrings for safety.

Donations

Next half term, we will be exploring our local area and developing map reading skills.

If you have any old maps, globes or anything geography related at home, we would appreciate borrowing it for next half term!

Dates to remember

Parents evening and open day will be coming up in the next two weeks. Please keep an eye on the school app for more details
