

# 4th September 2025

I hope you all had a wonderful summer and were able to take advantage of the amazing weather we were treated to this year. It has been lovely to welcome the children back, and I'm pleased to say that they have settled quickly into their new classes. Already there is a wonderful buzz around school, with children engaged in their learning and supporting one another.

## Staffing News

Over the summer, Mrs King moved on to work in a local school office. We wish her every success in her new role and thank her for all she has done for our school. You will still see her in our office every Friday morning. Because of this change, she is no longer able to cover Mrs Jones. Instead, we are fortunate to have two experienced teaching assistants, Mrs Theakstone and Mrs Pearson, stepping in to provide cover and support for the reception children.

Mrs Jones has recently had her operation and is continuing her recovery at home. We all send her our very best wishes and look forward to welcoming her back when she is well enough to return.

## School App Reminder

A quick reminder to all families to make sure you are signed up to the school app. If you are not yet on it, please ask the office to send you an invite link (and don't forget to check your junk mail in case it slips in there!). To ensure you receive the right updates, go to the menu settings, choose *notification groups*, and select your child's class and year group.

## Reading Information Meetings

We will soon be holding reading information meetings, giving you the chance to hear how you can support your child with reading at home. If you would like to attend, please let the office know so that we can set up the right number of chairs. If you are unable to join us, all the key information is available on our website under *Curriculum* → *Reading*.

## Year 1 and Year 2 Information Meetings

Families with children in Year 1 - **3pm Wednesday 10<sup>th</sup> September** and Year 2 - **3pm Thursday 11<sup>th</sup> September** are warmly invited to attend our upcoming information meetings. This will be an opportunity to meet the teaching team, hear a little about the year group expectations, and learn more about what the

children will be covering in their learning this year. We hope as many of you as possible can join us. If you are unable to attend we will put the information covered on the app.
