

3rd October 2025

It certainly feels as though autumn has arrived. Our playgrounds and pathways are awash with colourful leaves, and the children have been eagerly collecting conkers, a sure sign of the season changing. Today has been particularly special as the children have taken part in a variety of harvest-themed activities. It has been wonderful to see their enthusiasm as they've explored the theme of thankfulness and reflected on this important time of year. I would like to extend my heartfelt thanks to all of you who have contributed so generously to our harvest collection. The Eastwood Food Bank is extremely grateful for your kindness, and I know that your gifts will make a real difference to families in our community.

Mrs Irwin

Poppies in School

Looking ahead, next week we will be selling poppies in our entrance hall in support of the Royal British Legion. All donations are gratefully received, and we are pleased to be able to support such an important cause together as a school.

Scooters and Bikes

May I also kindly remind parents of our junior-age children that whilst on the infant school grounds, scooters and bicycles must not be ridden, and climbing in the trees is not permitted. This is for the safety of all children, particularly our younger toddlers, who can be very easily knocked over. Thank you for your support in helping us keep everyone safe.
