

5th November 2025

It was so lovely to welcome so many parents and grandparents to our Open Afternoon yesterday. The children really value this special event and were clearly bursting with pride as they shared their learning and showed off their wonderful work. Thank you to everyone who was able to join us, it means so much to the children.

I'm sure many of you have noticed the new wall that was built over the half-term holiday between the Reception and Year 1 classrooms. This change has allowed us to create two separate year group areas, giving teachers greater flexibility in their timetables and helping to reduce noise levels in school. Many people have already commented that the children seem calmer and more attentive.

Mrs Irwin

Children in Need

Next Friday, 14th November, we will be supporting Children in Need. This year's theme is "Spots", so children are invited to come to school dressed in anything spotty, school uniform is not required. We will also be creating spotty pictures using coins before sending off our donation, so please bring along any loose coins you can spare. It's always a fun and meaningful day for everyone.

Mud in Schools

A quick reminder that, before the doors open in the morning, children should avoid playing on the grass areas. Now that the weather has turned wetter, we are finding that a lot of mud is being brought into school on shoes. Our classroom carpets are becoming quite muddy, and as the children sit on these for lesson inputs, we'd love your help in keeping them clean.
